1927-28.

THE
FORTY-SEVENTH
ANNUAL REPORT
OF THE
UCKFIELD
COTTAGE HOSPITAL,

For the Year ending June 30th, 1928.

The attention of Subscribers is specially drawn to the date at which the "Hospital Year" closes, and Subscriptions should be paid as soon after the 1st of July as possible to enable the current expenses to be met, either to the Account of the Uckfield Cottage Hospital at Barclays Bank, Uckfield, or to the Hon. Collector, Miss M. SCARLETT, The Rocks, Uckfield.

A form for this purpose will be found at the end of this Report.

The Sussex Provident Scheme

FOR HOSPITAL SERVICES,

4 ST. GEORGE'S PLACE, BRIGHTON.

Letter from the Chairmen of the Co-operating Hospitals

The following letter, addressed for publication to the Editors of the leading Newspapers of the County, has been reprinted in order that it may be brought to the attention of all concerned.

To the Editor.

Dear Sir, — We desire jointly through the helpful medium of your columns briefly to make known the position of the Voluntary Hospitals we represent, in relation to the Sussex Provident Scheme, and to draw attention to the beneficial bearing the further extension of the Scheme would have upon the funds of our respective institutions. The Sussex Provident Scheme has definitely proved its worth to its members and to the co-operating Hospitals, and we desire to do everything in our power to further its aims. In order that the Hospitals concerned shall directly benefit to the fullest extent by the subscriptions from members, administrative and advertising expenses have been kept down to a minimum, and we would here express our gratitude to the members of the Voluntary Executive Committee of the Scheme, and to its Officers and Voluntary Collectors, whose services we value. The number of contributors is already over 15,000, and in respect of the treatment afforded to members since 1922 the Hospitals have benefited to the extent of £23,006. There are, however, fully 50,000 eligible persons resident in the wide area served by our Hospitals who have not yet joined the Scheme, and it is safe to say that the majority of these have not done so through the absence of opportunities of knowing how they can enrol as members to their own personal advantage and at the same time substantially assist the work of the

Hospitals. The principle underlying the scheme of giving free hospital treatment in return for regular contributions, when fully explained, has received the cordial approval of the wage-earners. Co-operation is undoubtedly the key to the satisfactory extension of the Scheme, and, we, therefore, particularly and earnestly appeal to all employers of labour, however small, who have not already done so, not only to grant facilities to the Organising Secretary of the Sussex Provident Scheme to get into direct touch with their employees for the purpose of giving a full explanation of the Scheme, but also to give their employees every encouragement and assistance in the matter. We feel confident that, with the co-operation of employers and all those who directly or indirectly benefit by the services of the medical charities for which we appeal, such institutions will be assured in the future a considerably increased dependable income. On receipt of a request at 4 St. George's Place, Brighton, the Organising Secretary of the Sussex Provident Scheme will be happy to visit any part of the county and explain the method of enrolling contributors, and give all other information desired regarding the Scheme. The Organiser would also be pleased personally to inform anyone desirous of rendering a substantial service to the Hospitals in this connection how he or she can best voluntarily make known to others the aims and advantages of joining the Scheme.

We are, Sir, yours faithfully,

D'A. C. BROWNLOW, Chairman, Royal Sussex County Hospital.

R. G. MODERA, Chairman, Royal Alexandra Hospital for Sick Children.

ROBERT SANDERSON, Chairman, Sussex Maternity and Women's Hospital.

BARNETT MARKS, Chairman, Sussex Eye Hospital.

BERRY CUSACK-SMITH, Chairman, Sussex Throat and Ear Hospital.

ELIZABETH RAWSON, Chairman, New Sussex Hospital for Women and Children.

G. LJONEL KING, Chairman, Brighton and Hove Provident Dental Hospital.

WILLIAM H. BLABER, Chairman, Brighton, Hove and Preston Dispensary.

RUTH CHICHESTER, Chairman, Lady Chichester Hospital.

R. J. STREATFIELD, Chairman, Uckfield Cottage Hospital.

STANLEY L. POWELL, President, Haywards Heath Hospital.

Hon. Auditor—

Mr. G. W. BLEWETT.

Hon. Collector—

Miss M. R. SCARLETT, THE ROCKS, UCKFIELD.

Uckfield Cottage Hospital.

RULES.

OBJECT.

1.—The Hospital is primarily designed for the accommodation of poor persons suffering from accident or disease. Patients other than the above will only be admitted (except cases of accident or sudden illness) with the sanction of the House Committee, who will fix the rate of payment. They will be expected to pay in addition the usual fees for medical attendance and the cost of any extra nursing that may be necessary in consequence of their presence. Cases of infectious or incurable disease, pulmonary consumption, and advanced tubercular disease of all kinds are not admissible.

PROPRIETORSHIP.

2.—The Hospital is the private property of Mr. R. J. Streatfeild, and possession may be resumed by him on his giving three calendar months' notice of his intention to do so, but so that such notice shall expire at the close of any financial year. Subject to the above, it is placed at the disposal of the Hospital Committee, rent free.

MANAGEMENT.

3.—The Hospital shall be managed by a Committee of Governors, together with a Secretary, Treasurer, House Committee and Medical Officers.

4.—The Secretary, Treasurer, House Committee and Medical Officers shall be *ex-officio* members of the General Committee, which shall meet once a quarter, or as often as may be necessary on notice from the Secretary ; five to form a *quorum*.

5.—All the Officers of the Hospital shall render their Services gratuitously, with the exception of the Matron, who shall receive salary with board and lodging.

6.—The Governors shall meet annually to receive the report of the Committee, to pass accounts, and to elect the Officers and Committee for the ensuing year ; but meetings of the Governors may be convened at any time on requisition being made to the Secretary, signed by not less than three Governors.

7.—The Committee shall have power to make Rules and Bye-laws for the regulation of the Hospital, which shall be in force until repealed or amended by a General Meeting of the Governors.

8.—The Bye-laws shall be posted in a conspicuous place in the Hospital.

QUALIFICATION OF GOVERNORS.

9.—Annual Subscribers of 10s. 6d. and upwards shall be Governors of the Hospital, and shall be entitled to recommend one patient for every 10s. 6d. subscribed for the year for which their subscription is paid.

10.—All subscriptions shall be payable in advance, and shall become payable on the 1st July in each year.

EXPENSES.

11.—The expenses of the Hospital shall be defrayed by donations and subscriptions, added to the weekly payments made by the patients.

PATIENTS.

12.—Application for admission shall be made, accompanied by a recommendation from a Governor to the Medical Officers, who shall have power to reject or discharge any case that they may consider unfit to be treated in the Hospital. Cases of accident may be admitted at once without such recommendation, but one must be obtained as soon as possible after the admission of the patient. Patients will not be admitted on Sundays, except in cases of emergency.

13.—Any patient remaining longer than one month in the Hospital must obtain a fresh letter of recommendation for each month of such prolonged residence, or pay the maximum weekly charge of Three Guineas. But patients shall not remain for such further period, except on the express recommendation of the Medical Officers, and with the consent of the House Committee.

14.—Except personal clothing, every requisite shall be provided in the Hospital, and patients shall not be allowed to receive food or drink from any other source without the sanction of one of the Medical Officers.

15.—Patients shall have the utmost religious liberty, and may be visited by any minister of religion they may desire.

16.—The maximum weekly amount to be paid by each local patient shall be £3 3s. 0d. per week, and the minimum 15/- (except in especially exceptional circumstances in the discretion of the Tariff Committee). The individual payments within these limits shall be fixed by the Tariff Committee, and be payable weekly in advance, and be guaranteed by some responsible person. Such Tariff Committee to consist of four Governors. Two to be a *quorum*.

The weekly charge for Domestic Servants, when sent in by their employers, shall be £3 3s. 0d., unless the Tariff Committee shall specially fix a lower fee. This Rule does not apply to maid servants in the employ of the Medical Officers, who shall be admitted free, or to members of the Sussex Provident Scheme.

Provided there is room in the Hospital without prejudice to the interest of local patients, patients other than those from the neighbourhood may be admitted at such fees as may seem reasonable to the House Committee.

17.—A private ward has been arranged for, to which patients may be admitted on the recommendation of the House Committee, at a charge of £5 5s. 0d. per week, together with the cost of any extra nursing they may require. The actual charge in each case to be at the discretion of the House Committee.

18.—Convalescent patients will be expected to assist the Matron in the house-work, or in any other way she may require, according to their strength.

19.—The admission of paupers, the subjects of accident or disease, the attention on whom entitles the Union District Medical Officer to extra payment, shall not interfere with the claims of the said Medical Officer to the usual fees.

VISITORS.

20.—Visitors shall not be admitted to any part of the Hospital, except at such times as may be appointed by the Committee, and with the sanction of the Medical Officers.

21.—A book shall be kept in the Hospital in which the names of Visitors and any complaints shall be entered:—The Committee will enquire into any complaints made therein, but only when signed by the person making them.

BYE-LAWS.

1.—Patients must, on admission, provide themselves with a change of linen.

2.—No Visitors shall be admitted to any part of the Hospital before 2 o'clock. Friends may visit patients on Sundays and Wednesdays between 2 and 4 o'clock. But the Medical Officers have power in special cases to extend or withdraw this provision.

3.—The Matron will be responsible to the House Committee for everything under her charge, and for the observance of the Rules and Bye-Laws in the Hospital.

4.—The Diet Tables shall be as ordered by the Medical Officers.

Uckfield Cottage Hospital.

REPORT, 1927-28.

THE Committee regret that they have again to report a very unsatisfactory financial position.

Last year they were able, owing to special efforts described in that year's report, to close the account with a few shillings in hand. This year the expenses have exceeded the income by £254.

The Committee desire to call attention to a paragraph in their last year's report which reads as follows:

“With regard to the future, the Committee are not without anxiety. If the Hospital is to continue its useful work a larger expenditure than in the past is inevitable, and while the Committee gladly acknowledge the ready response to their appeal to meet the deficiency of the year just past, they feel that an *increased fixed income* from annual Subscriptions of at least £400 is a pressing necessity.”

This appeal has only resulted in an increase in the annual Subscriptions of £6 4s. 0d., and many Subscriptions have only been obtained after repeated applications from the Hon. Collector.

After very careful consideration, the Committee decided to alter the rules relating to Patients' Payments, and these alterations are now submitted to the General Meeting for confirmation.

MISS G. FLETCHER continues to carry on the duties of Matron in a most satisfactory manner in spite of the difficulty which still exists of getting regular assistants.

Thanks are due to members of the Women's Section of the Red-Cross Society who have volunteered their services on various occasions.

Thanks are also due to the Rev. Hugh Read for the gift of a wireless instalment which he has pro-

vided, free of cost both as regards instalment and maintenance, and which is much appreciated by the Staff and Patients.

A "Violet Ray" apparatus has been added to the equipment of the Hospital, free of charge.

The Committee also acknowledge with grateful thanks a number of gifts in kind and specially the contributions to "Pound Day," which produced no less than 664 lbs. of goods and £13 19s. 0*d.* in cash, and they also desire to very cordially thank those kind friends who have organised Whist Drives, Dances, and other entertainments for the benefit of the Hospital.

The number of In Patients treated during the year, including five who were in Hospital at the commencement, was 104, with an average stay of 2 weeks 2 days.

The following is a summary of all cases treated during the year with distribution.
